

The Academy Way

Profile: In-Town Coach

In-town Coach Profile

Responsibilities:

I. Leadership

Lead the overall process of player development, team dynamics, logistics and communications in a positive and fun manner.

II. Leading the Team

Create a positive team environment for all players, parents and coaching staff in order to develop together.

III. Managing the performance environment

Manage the off-the-field circumstances to optimize the player experience.

IV. Coaching Training Sessions

Coordinate, manage and run all training sessions in line with club philosophy and methodology.

V. Coaching Games

Guide game day logistics. Create a positive player-centered learning experience for all players.

VI. Player Evaluations

Assess players based on values and philosophy of Sudbury Soccer.
